Dear IRCC Officer,

My name is **Areeb Ullah Ansari** and I am providing this explanation letter with additional details about my unauthorized work as disclosed in the form IMM5710e. My final grades were displayed on 9th-May-2023 on the official university student portal. However, unfortunately I didn't see them as there was no communication about the upload. Thus, I unintentionally worked for 3 days between 10th to 13th-May-2023 which was unauthorized. However, it must be noted that I have stopped working from 14th-May-2023 (As soon as I was informed about the grades by fellow students).

Moreover, please also find my last ten years of employment that would not fit into the IMM application form in the chart below.
